Be the Cure

Fundraiser for Cancer Research for Kids

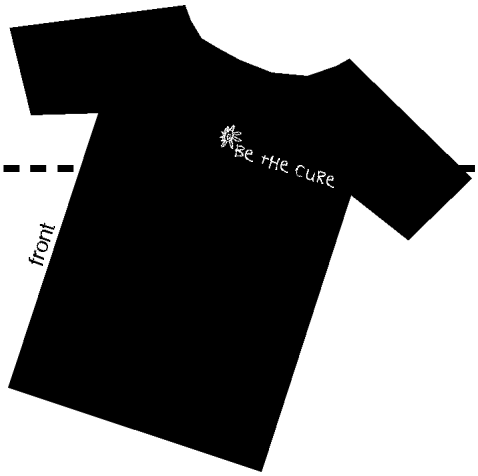
www.be-the-cure.com

My name is Casey Patton and I will be a freshman at college this fall. During my junior year of high school, I was diagnosed with a brain tumor. This changed my life in ways I could never have imagined. For 18 months I sat for hours with other kids at Children's Memorial Hospital while we received drugs to fight our cancers. I have learned that cancer is the second leading cause of death in children (after accidents).

I have also learned that nationally, less than 3% of all government-funded cancer research dollars goes to pediatrics (and unfortunately only a small percentage of that funding is used for brain tumor research). Much more research is needed to find new and safer treatments for kids. My friends and I decided to raise money to help my doctors find a cure for cancer.

We decided to Be the Cure and you can too!

- **BUY** a t-shirt or **MAKE** a donation
- **FIGHT** the battle against cancer
- **VISIT** our website



Be the Cure T-shirt Order Form

T-shirt's are $12 each. Please add $3/shirt if we are mailing it to you.

Name: _____
