

Local Students Band Together to Raise Money for Children's Cancer Research

BE + THE CURE

FUND CANCER RESEARCH FOR KIDS

"Be The Cure" website was founded by 3 high school students here in Downers Grove when they found out their best friend, Casey, was diagnosed with a brain tumor during their junior year. They are raising money to help find a cure for all the kids who have cancer. They are selling T-shirts and donating all the proceeds to the Children's Memorial Hospital.

Be on the lookout for their story in our August Issue. In the meantime, please check out

www.be-the-cure.com

You can learn about their mission and view the t-shirts they are currently selling.

Fundraising update as of June 9th 2007

746 T-Shirts Sold

\$10,652 in sales and donations
